PRESS RELEASE **FOR IMMEDIATE RELEASE**

Chicago Meat Authority is Proud to Introduce Sheila Quinn as Senior Vice President of Corporate Planning

Chicago, IL 1/11/10 – Chicago Meat Authority (CMA) is proud to introduce Sheila Quinn as Senior Vice President of Corporate Planning. Sheila has worked in both the for profit and non profit sectors and has served in industry, manufacturing and professional services. She has extensive experience in organization development, leadership, human resources, employee relations, process improvement initiatives and sales.

Sheila's past experience includes developing individuals and businesses to their potential through coaching and leadership initiatives, driving organizational change and building relationships. Sheila possesses a strong business-oriented approach to talent development and has success in aligning sales, operations and administrative strategies with the overall business.

"Sheila will spearhead our HR and organization development efforts at CMA," states Jordan Dorfman, President and CEO, "I have had a longstanding interest in determining ways to increase the potential of the organization through effective leadership and management practices."

Sheila joins the CMA Management team that includes Jordan Dorfman, President and CEO; Dan Wang – Chief Financial Officer; Ray Kozlowski, Vice President – Business Development; Chris Marriott – Vice President – Business Development; Peter Bozzo – Vice President – Business Development. For more information on Chicago Meat Authority, please call 800-383-3811 or visit www.chicagomeat.com.
